Werzalit by SM France Table Tops

5 YEAR WARRANTY

FL-128-11768 - FL-128-11778

SM France's "laminate-molded" table tops for the hospitality and entertainment industry are made of recycled wood chips, resin and laminate. The technique of molding and lamination by hot pressing gives the product unique qualities, making it especially durable and weather resistant.

Recognised for design and creation, SM France is considered the "leader of the table top". You will find SM France products in a large number of restaurant and café terraces around the world.

Available in a select range of sizes and finishes, these tops are durable, weatherproof, inexpensive and attractive.
